

Fabra Falcons

2ND GRADE NEWS

October 30—November 3, 2017

Important Dates:

Every day is important at Fabra Elementary. Please have your student here by 7:25

- 10/31 Reading Log due
- 11/2 Science Family workshop
- 11/10 Veteran's Day Ceremony
- 11/14 Pie Fundraiser delivery
- 11/14 Progress reports
- 11/15 Science Fair set up
- 11/16 Science Fair
- 11/20-24 No School Thanksgiving Break

Language Arts/Reading

This week we will continue to learn to describe the main characters in works of fiction, including their traits, motivations, and feelings using Stellaluna activities. We will complete the booklet project using adjectives in the context of writing and reading as well as describe events in a logical order of beginning, middle and end.

We will also learn what synonyms are and how they are used.

Homework:

Please read with your child 15-20 minutes every day. Listen to them read aloud to you and discuss. Have fun! Extra recess for completed Reading Log, signed by parent, and turned in on time is October 31.

Math:

We will be working on breaking apart addends to add, add 2-digit numbers while regrouping, and write a number sentence to represent a problem. We will Review our Addition and Subtraction skills through various activities.

Homework on Tuesday and Thursday, due next day.

Weekly timed math practice sheet due by Friday.

Please remember to go over your child's homework with them and practice addition facts, time, money, and skip counting by 2's, 5's, and 10's.

Spelling List

ie/oo Pattern

- | | |
|-----------|--------------------|
| 1. field | <u>Sight words</u> |
| 2. piece | 11. along |
| 3. movie | 12. might |
| 4. cried | 13. close |

| 6. took | 15. seem |
| 7. stood | |
| 8. food | |
| 9. bloom | <u>Test Friday</u> |
| 10. spoon | |

Science Unit 4 Energy, Motion, and Magnets

This week we will continue learning about energy, motion, and magnets. We will discover how forces cause change and how they make objects move, and that energy exists in many forms through various exciting activities/labs to reinforce concepts.

Test Friday
